

ABOUT US

Hurford Salvi Carr are an innovative firm of property advisors and development consultants who are widely respected in the UK and are well known in property circles around the world. A multi disciplined practice established in 1996, Hurford Salvi Carr have played a pivotal role in the urban regeneration of that part of London lying between Mid Town and East London and have sold or acquired on behalf of clients over \$4 billion of real estate.

Hurford Salvi Carr have negotiated sales of UK real estate in Dubai, Hong Kong, Ireland, Israel and Singapore, and have offices in the West End and City of London, in Docklands and in Hertfordshire. The company and directors are members of NAEA, ARLA and FIABCI and our associated professional services division is staffed by members of the RICS.

AT MIPIIM

Derek Lewis

Director - Commercial Division

Mob: +44 (0) 7860 428 423

derek.lewis@h-s-c.co.uk

With 35 years experience in real estate, Derek is the director of the commercial division of Hurford Salvi Carr which covers the acquisition and sale of commercial space in London. During his early years he worked for a number of leading central London agencies, represented a wide range of high profile clients as a partner of consulting surveyors Whitehouse Lewis and served as managing director of Devonshire Estates Plc. He personally specializes in 'mixed use' investment and development projects and also heads up sister organization Opportunity UK which is a specialized inward investment service for overseas clients. He is a member of FIABCI (the International Real Estate Federation).
